

We are the wild ones [Lyrics]

[Default Arrangement] by Steve Gibson

VERSE 1

We are the wild ones pouring out love at your feet
We're the extravagant letting go, we're jumping free
We're the embracers
Holding steadfast to Your grace
We won't let anything get between us and Your love

CHORUS

We give you our praise
We give you all our breath, all of the air in our lungs
We give you our praise
We give you the whole of our lives, all of our heart, it's Yours
It has always been Yours

VERSE 2

We are the reckless living by faith not by sight
We're the ferocious with passion, we laugh at the night
We're the pursuers
Chasing immeasurably more
We won't let anything get between us and Your love

TAG

Here is our hearts, here in this place
We join as one, we turn our face
To You O God, giver of life
Open our hearts, open our eyes
